

How to Navigate the PowerSchool Public Portal as a Parent

Go <http://www.westportps.org> or any school homepage and click on the **PS Home Access** link at the top. Choose to sign-in as a parent and enter your WPS username and password. (The same username and password you use for Schoology. If you are already logged into Schoology, you will not have to login again.)

Only certain parts of the portal are turned on at this time. *The mobile app and the portal will show different things.* For example, you can only get your report cards in the portal. The app is available “as is” at this time.
