		<p>Good evening. The WEA is respectfully asking that the Board of Education pay the spring coaches their full stipends in recognition of the work they do and the important role they play in the lives of our student athletes. Even under these extremely difficult and unfortunate circumstances, our coaches have found ways to stay connected and committed to their players. We should acknowledge and thank them for their efforts, as they are a part of our educational team. Please do the right thing, as have several surrounding districts, and recognize the vital role they play in the lives of our students.</p> <p>Thank you,</p>
