

**Coleytown Middle School
Teacher/Administrator Survey Results
Enhancements/Improvements**

Approach

In March 2019, the district surveyed the Coleytown Middle School teachers and administrators to elicit ideas that can improve the educational and learning experience for our students. Below is a summary of the survey results. Sixteen teachers/administrators responded.

<i>Redesign of Classrooms - Instructional/Learning Spaces</i>
<ul style="list-style-type: none"> • Re-imagine learning spaces that reflect more learner centric model • Flexible learning spaces and flexible furniture • Classroom designs that match our current curriculum/ 21st Century learning
<i>Redesign of Spaces for Music</i>
<ul style="list-style-type: none"> • Three acoustically appropriate, large ensemble rehearsal spaces with high ceilings • Appropriate and safe instrument storage • Two storage rooms • One room for music tech class • Two ensemble rooms with appropriate acoustical treatment
<i>Renovation of Space for Theater</i>
<ul style="list-style-type: none"> • Remove rear riser platform • Replace door to drama room and rear of auditorium to double height, allowing set pieces to be constructed outside of the auditorium • The rear black traveler in the auditorium needs to be replaced. In order to meet fire code upgrade to synthetic • Cat walk is sub-par and needs to be updated. Currently, there is not a cage, resulting in the need to crawl while working • There are spaces in the auditorium ceiling where the partition walls used to be • The risers in the drama room are old and have not been taken down and appropriately been cleaned
<i>Redesign of Art Space</i>
<ul style="list-style-type: none"> • Updated storage solutions • Central work station, similar to Bedford • Kiln relocation • Sinks along wall • Access to technology

- New large art tables and appropriate seating

Renovation of Gym

- Air condition in the gym
- Consider a dehumidification/exhaust fan if air conditioning is not an option
- Full dividing walls in between all three gyms so there is better noise control

Technological Improvements

- Embed tech into classrooms
- Maker Space

Library Media

- Update library media center
