January 6, 2020
Dear Members of the Board of Education:
The enclosed proposed Fiscal Year 2020-2021 Superintendent's Budget of $\$ 125,043,183$, is an increase of $5.74 \%$, or $\$ 6,792,719$ over the current budget.

The attached budget includes the move back to a renovated Coleytown Middle School in August 2020 and details the personnel, equipment, and fiscal challenges associated with the Town's return to two middle schools.

The budget does not include capital and maintenance costs associated with the Master Plan Facility Study (Antinozzi Report), as the BOE will be addressing an approach to the Antinozzi Report at its January 6, 2020 meeting.

Although much work has been devoted to this preliminary budget formulation, it is clear that a great deal of work must still be done in order to present a 2020-2021 budget that is educationally responsive to maintaining the Westport Public Schools as a lighthouse District, and is fiscally responsive to the financial realities of the Town of Westport. As such, this preliminary budget is still being "worked" by the administration and, along with my colleagues, I look forward to continuing the discussion with BOE members, which will commence in full form at the BOE Budget Meeting on Friday, January 10th, in the Westport Town Library.

Sincerely,
Daid E. Olblery
