March 11, 2020

Dear Westport Families,

We have just learned that a number of Westport parents and Westport Public School students, in schools throughout our district, were in contact with an individual presumed to be positive with coronavirus. Based upon discussions with and at the direction of Mr. Mark Cooper, Director of Health for the Westport Weston Health District, the Westport School District will be closed until further notice following today's regularly scheduled dismissal. This includes all after-school and evening activities, including athletics. We will immediately begin deep cleaning our schools and in conjunction with the Westport Weston Health District will be consulting with state and federal officials.

Updates will be provided as more information becomes available.

Sincerely,

David Abbey

Interim Superintendent of Schools
