RE: Bid # 16-004-BOE- CES Asphalt Shingle Roof Replacement

After reviewing the bids that opened on February 3, 2016, with Robert O'Brien our legal counsel, It is my recommendation to award the bid to Shoreline Restoration LLC, East Haven CT.

Shoreline Restoration is a Manufacturer's Certified Representative, which meets the following bid requirements ie; manufactures warranties and guarantees. They are a local vendor and can respond in a timely manner to any issues or items that may come up with the roof.

Shoreline Restoration LLC	\$ 136,544.00
WPI Inc. Webster Ma.	\$ 127,000.00
J.J.S Universal Construction Company	\$ 100,000.00
Dudley Ma.	

Please review and get back to me Thank you Ted
