In lieu of the retained five percent (5%), the Contractor may choose to furnish a Guarantee Bond for the equivalent amount.

The Owner may expend the same or as much thereof as may be required in making the aforementioned repairs to the satisfaction of the Owner, if within ten (10) calendar days after the mailing or delivery of a notice in writing by the Owner to the Contractor, he/she shall fail to make the aforementioned repairs; provided, however, that in case of an emergency where, in the opinion of the Owner delay would cause serious loss or damage, the Owner may make repairs without previous notice and at the expense of the Contractor.

At the end of this one (1) year period, the balance of the retained five percent (5%) shall be paid or the Bond returned to the Contractor, provided all the terms and conditions of the Contract shall have been fulfilled. When required by the Owner, the Contractor shall furnish satisfactory evidence that he/she has satisfied all just claims for labor performed or materials furnished for or in the use upon the work herein specified; in the absence of such evidence, the Owner shall have the right to retain sufficient funds to pay all just claims.
