Public comment is posted exactly as received.

First and Last Name	Physical Address	Please state your comment/question regarding any of the policies being discussed during today's meeting.
Joan Gillman	61 Hermit Lane, Westport, CT	It is helpful to hear that Jessica will work on new language around student privacy and sensitive information. Thank you. How can the public participate more actively in the discussion about privacy? Will the public receive answers to the questions submitted in the Spring on the topic of privacy and how the student data can be used by the tech companies?
