Amy Herrera	3 Sandhopper Trail	I understand that there is potentially \$1.6 million that will be awarded to Westport public schools through the ARP. Of the 5 to 8,000,000 that elio referenced would be awarded to the town of Westport, should any of that be allocated by the town to the Board of Education?
rosie curtis	4 heritage ct	It would be greatly appreciated if there is a public conversation with the elementary principals, including our boe and bof members too so we can all listen and understand what kind of year we're expecting next year. Thank you!
