Sarin Cheung	24 Webb Road	Good evening. I am writing to reaffirm my support for the equity study the District is conducting. I want to thank the Board for supporting the study and everyone on the team for their time and effort in this important work. I understand the work just got kicked off a few weeks ago and they are meeting on a regular basis. I look forward to learning more in the coming months of their comprehensive findings and recommendations in the form of actionable programs that will ensure diversity and inclusion. Thank you.
