

# THE WESTPORT SCHOOL CALENDAR IS HERE!

The annual Westport School Calendar is back for families, students, teachers, administrators, and residents to use and enjoy. The 13-month calendar (September 2018 to September 2019) is formatted to help navigate the school year. Each month (now in FULL COLOR) features a wonderful work of art by a Westport Public School K-12 student, and includes key school and district dates, with room for your own notes and plans.

The Calendar is an annual fundraiser of Friends of Westport Public Art Collections (WestPAC). Proceeds from this year's sponsorships and sales will directly support the display, preservation and educational uses of all the art in the Westport Public Art Collections. From framing acquisitions to conserving important works, WestPAC's volunteer committee has worked for over 50 years to enable present and future students and residents to experience art daily in the hallways, classrooms, offices and public spaces of our school and town buildings.
